

COLLABORATE - STEP 1: LISTEN

Short Description of a "gap" in our context

1. Introductions.
Who am I and why am I burdened by this gap?

4. Root Causes & Enablers.
How did we get here?

5. What's Working?
Not Working?

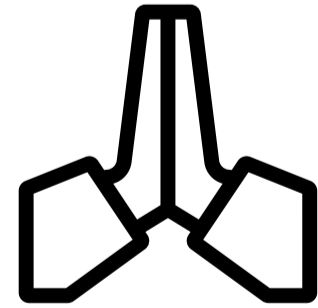

What key concerns, needs, and pains must be addressed to close this gap? Pray!

-
-
-
-
-

2. What is your experience with the gap?

3. Consequences & Impact. What does this gap look like in my context, and why does it matter?

6. What are the obstacles to change?

What's going on and why for this gap, in my context?

COLLABORATE – STEP 2: IMAGINE

Short Description of a "gap" in our context

1. Looking Back! It's 2050. The gap is closed through taking action together!
What does this future reality look like? What has changed? Paint a picture.

Discover the value of Lausanne's Collaborative Action process...

- COMMITMENT - Grow in your understanding of and commitment to collaborative action
- CATEGORIZATION - Embrace opportunities to collaborate where it matters most
- CONNECTION - Experience increased fruitfulness through meaningful relationships
- CATALYZE - Participate in closing gaps in fulfilling the Great Commission

What excites you most in this vision? Where do you see yourself in it?

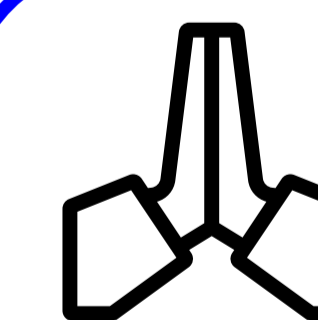

-
-
-
-
-

2. Where do we see signs of God at work in this gap, right now?

3. How did each aspect of the 4-fold vision help to close the gap?

4. What might God want to do through us taking action together that we cannot accomplish alone?

- I. The gospel for every person*
- II. Disciple-making churches for every people & place*
- III. Christ-like leaders in every church and sector*
- IV. Kingdom impact in every sphere of society*

If we truly collaborated on this, what's possible?

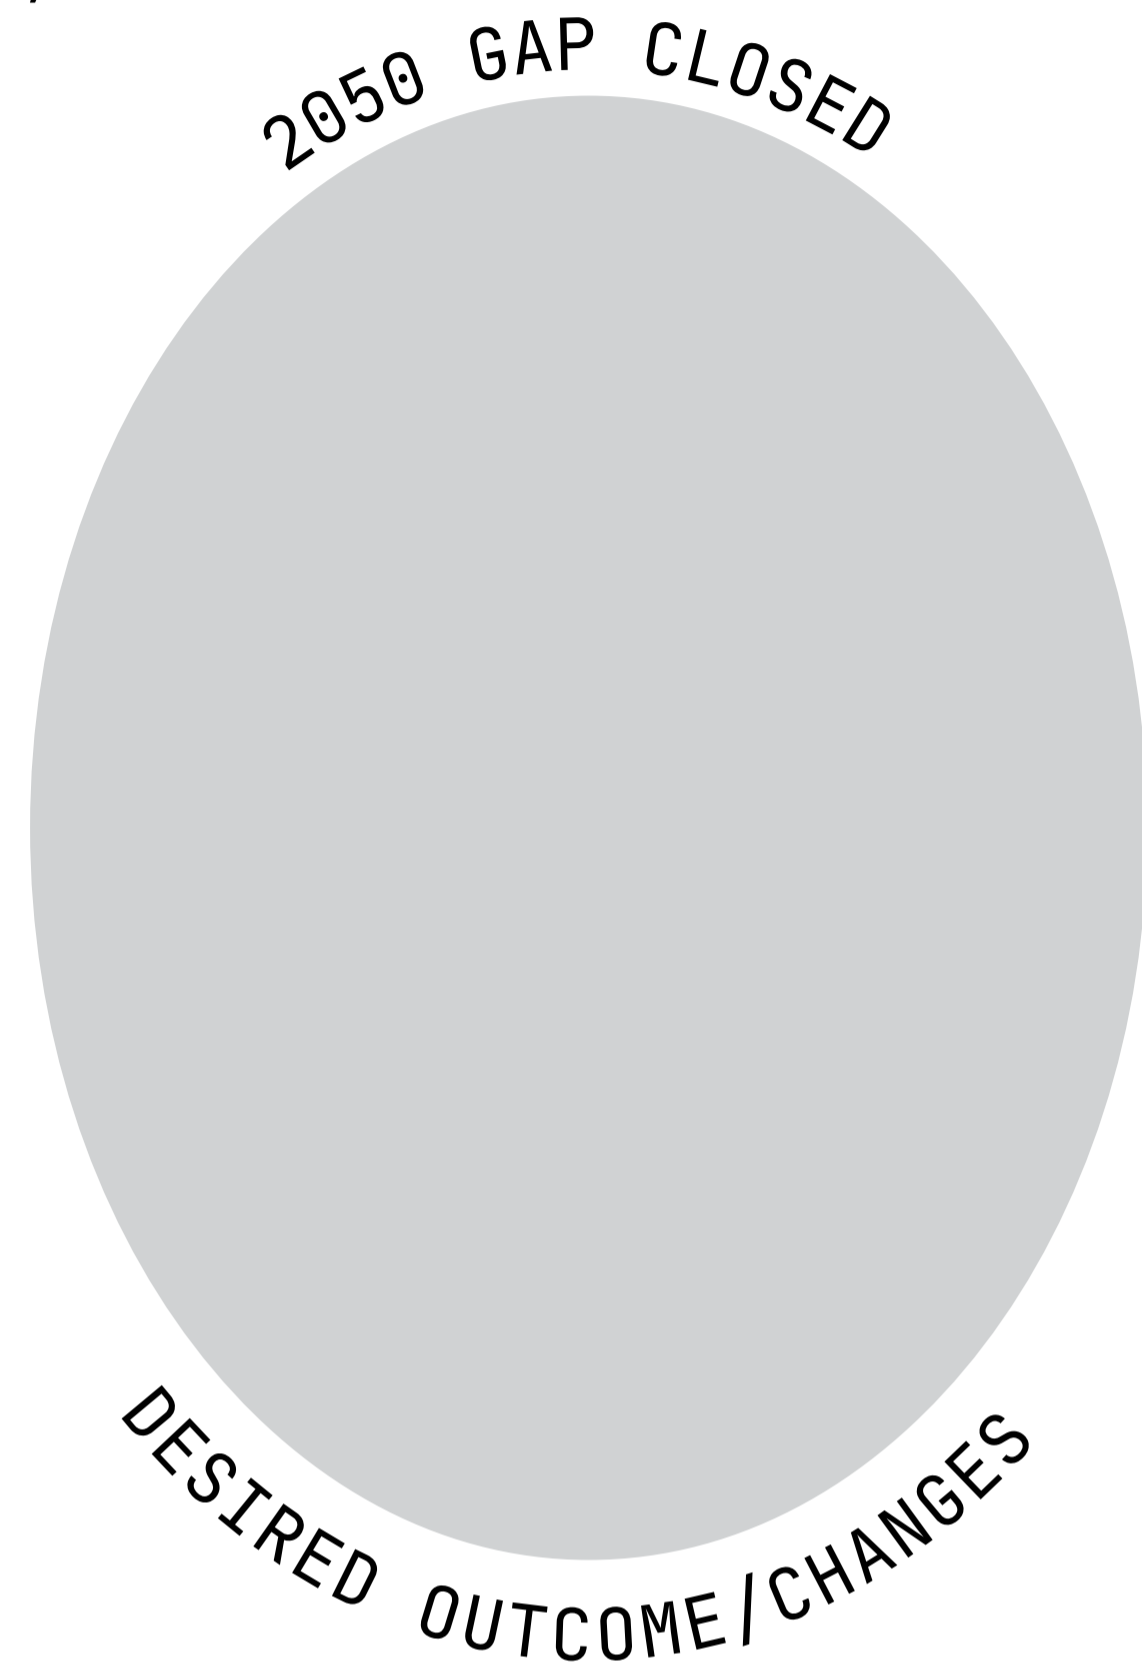

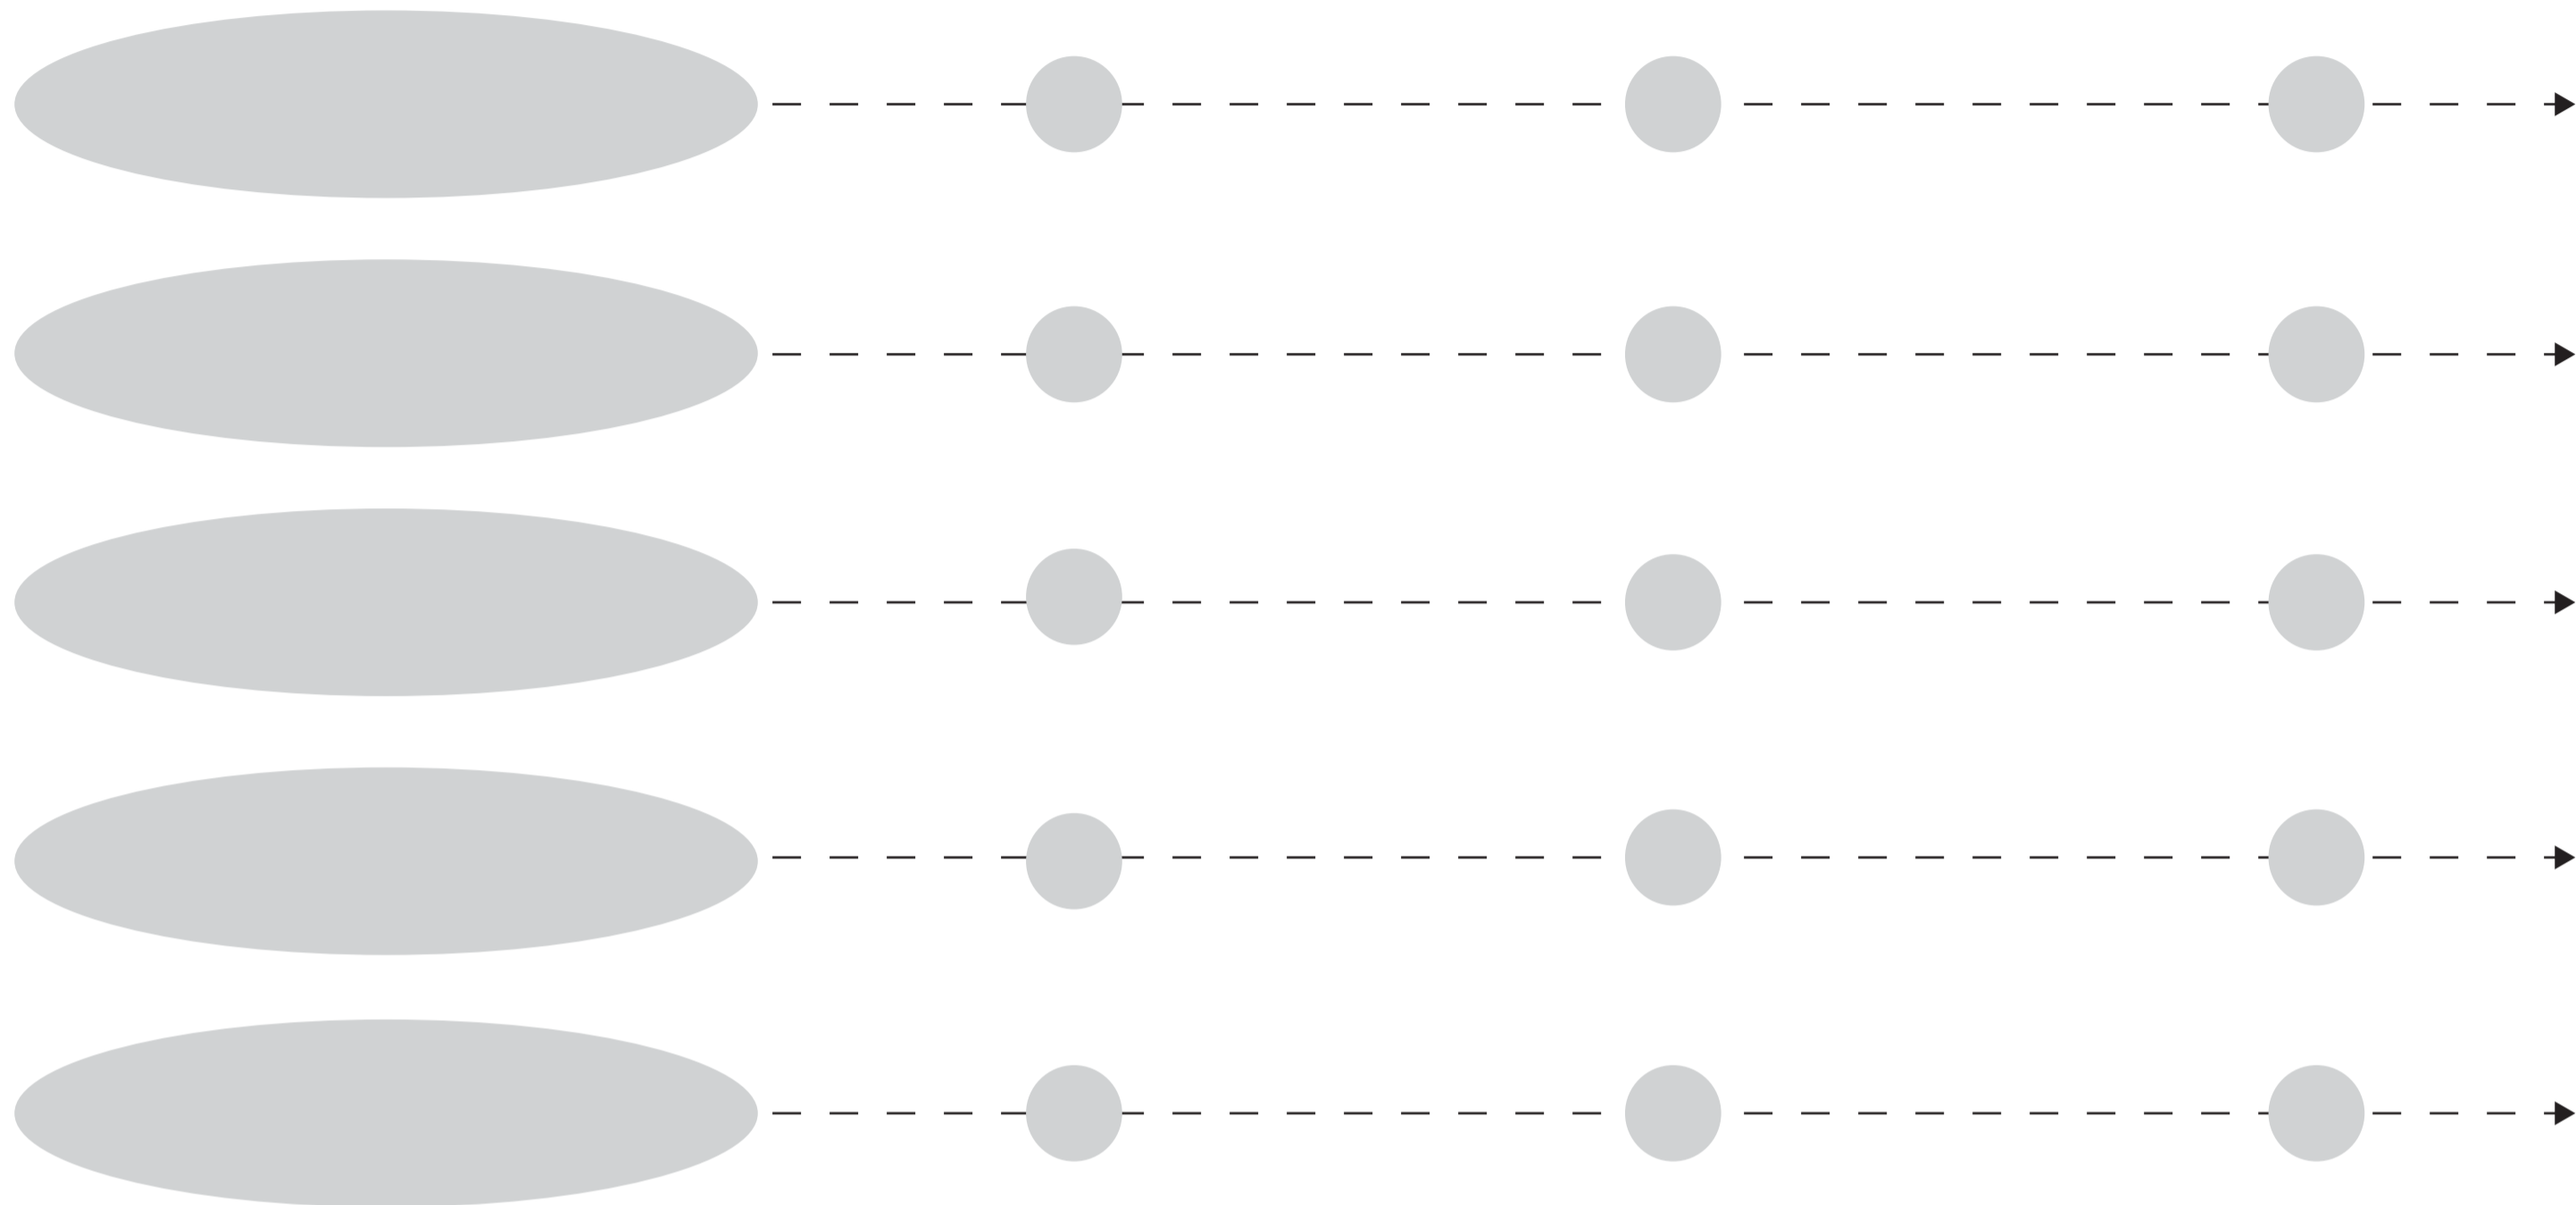

COLLABORATE – STEP 3: CREATE

Short Description of a "gap" in our context

1. How do we close the gap? Given the current obstacles and our desired outcomes, what are the key priorities and next steps?

Current Priority

Which collaborative solutions to close the gap is God calling us to?

-
-
-
-
-

2. How can the Lausanne 4-Fold Vision add depth and direction?

3. Who could I be collaborating with in closing this gap?

4. How can we build on what is already working?

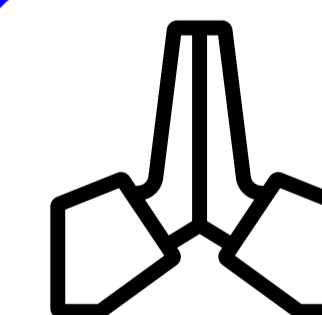

5. What is needed in my context to close this gap?

I. The gospel for every person

II. Disciple-making churches for every people & place

III. Christ-like leaders in every church and sector

IV. Kingdom impact in every sphere of society

What steps move us toward collaborative action?

COLLABORATE - STEP 4: COMMUNICATE

Short Description of a "gap" in our context

1. REFLECT:
What insights have you gained from this time together? What specifically gives you hope this gap can be closed?

4. COMMUNICATE:
Focus on one prayerful proposal. Work together to strengthen and fine-tune this idea.

Next Steps:

- What specific opportunity will you focus on to help close this gap?
- What two steps will you take in the next 3 months to close this gap? Who will you collaborate with?
- What are you asking God to do in you, through you, or for you in the next 3 months? The next 12 months?

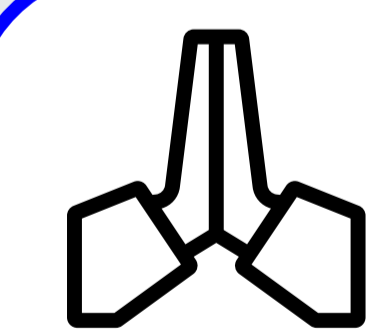

Share your 1-minute pitch with your group.

- 1. Who am I, and the gap I'm seeking to close - 15 seconds*
- 2. My proposal to close the gap, and the difference this would make in the Great Commission - 30 seconds*
- 3. Who I want to work with, and our next step? - 15 seconds*

2. COMMIT:
Where might God be specifically calling you to engage?
Who will you work with together in the local context?
What will you contribute to your Collaborative Action Team (CAT)?
Is this an existing CAT? A new CAT?
Connect below

3. PRAYER:
Take time to wait on God for wisdom to move forward. Share what proposal feels most fruitful. Is it healthy collaboration?

Pray together, commissioning one another for the Great Commission.

Who will collaborate, on which opportunity, for what goal?
